

CHILD LANGUAGE LAB

Use the below transcript from the Brown corpus in CHILDES to find evidence for **at least six** of the following concepts from the course:

positive evidence	overt negative evidence	implicit negative evidence
noisy feedback	descriptive rules	prescriptive rules
holophrases	types of errors	imitation
under/overextension	“superset situation”	inflectional/derivational morphology

Be as specific as possible. Use the line numbers in the transcript to refer to specific utterances, and underline the course concepts that you explain in your answer.
